What is a Family Resource Center?
A community or school-based welcoming hub of support, services, and opportunities for families that:

- Utilizes an approach that is multi-generational, strengths-based, and family-centered
- Reflects and is responsive to community needs and interests
- Provides support at no or low cost for participants
- Builds communities of peer support for families to develop social connections that reduce isolation and stress

What are the goals of a FRC?

- To support families to be strong, healthy, and successful
- To contribute to building a strong and healthy community
- To reduce the likelihood of child abuse and neglect by building the research-based Strengthening Families Protective Factors

Did you know?

- Although there is no dedicated federal funding for Family Resource Centers, there are more than 3,000 of them nationwide in 33 states and the District of Columbia that serve more than 2 million people annually.
- The heritage of Family Resource Centers in the U.S. goes back to the establishment of Settlement Houses in the late 1800s to support new immigrants to succeed.

What does it cost to run a FRC?

FRC budgets vary across the country in relation to local costs of living, specific programming, and physical space.

- A typical community-based New Jersey Success Center has an annual budget of $240,000 to $300,000 with 3-4 full-time staff.
- A school-based FRC in Kentucky has an annual budget of $33,000-$82,000 with 1-2 full-time staff and space and other resources provided in-kind.
