Mission: To connect family strengthening networks across California to promote quality practice, peer learning, and mutual support.

The California Network of Family Strengthening Networks (CNFSN) is a membership-based organization comprising various county, regional, and statewide networks that focus on strengthening and supporting families. Each of these networks consists of two or more Family Resource Centers or Family Strengthening organizations. The vision of the CNFSN is that Family Strengthening Networks are part of a strong, cohesive mutual support networks that promotes positive outcomes for families, communities, and networks.
